

The Knights of Columbus 5th Annual
CALEDONIA CHILI COOK-OFF

In support of

Cayuga Autistic Children's Program & Families

The **Cayuga Autistic Children's Program** provides classes for special children diagnosed with autism. The parents and program providers at Mitchener School require some specialized equipment for their class, which lacks provincial or county funding.

With this year's cook-off we are hoping to assist program providers and parents of the class with some much-needed equipment to help make their children's development enjoyable.

Please join us at the **5th Annual Caledonia Chili Cook-Off** on **Saturday April 27th** at **McKinnon High School** from **4 to 8 pm**.
