

# The 10<sup>th</sup> Annual Caledonia Chili Cook-off

Presented by:  
The Knights of Columbus - Council 9300  
**'Major Community Event of the Year 2019'**

**Avery Webster**

My name is Avery Webster, I'm 17 years old and a grade 10 student at Cayuga Secondary. Avery has been diagnosed with Seckel Syndrome, a rare form of dwarfism. She struggles daily with many aspects of life due to her global delays and kyphosis. She is non-verbal, and legally blind. She requires constant help throughout the day and relies on teachers, aids, and helpers from her family for feeding, bathing, entertainment, and personal care. Avery has had her bedroom adapted to keep her safe including padded floors and walls. She has a specialized wheelchair but could use a lift to assist with transferring her from her chair.
